Australian Standard 2441-1981

INSTALLATION OF FIRE HOSE REELS

STANDARDS ASSOCIATION OF AUSTRALIA
Incorporated by Royal Charter

THE FOLLOWING SCIENTIFIC, INDUSTRIAL AND GOVERNMENTAL ORGANIZATIONS and departments were officially represented on the committee entrusted with the preparation of this standard:

Board of Fire Commissioners of New South Wales
Building Owners and Managers Association of Australia Limited
Commonwealth Fire Board
Confederation of Australian Industry
Country Fire Authority, Victoria
Department of Defence
Department of Housing and Construction
Insurance Council of Australia
Telecom Australia

This standard, prepared by Committee BD/18/7, Fire Hose Reels, was approved on behalf of the Council of the Standards Association of Australia on 3 February 1981, and was published on 1 April 1981.

To keep abreast of progress in industry, Australian standards are subject to continuous review and are kept up-to-date by the issue of amendments or new editions as necessary. It is important therefore that standards users ensure that their standards are up-to-date. Full details of all SAA publications will be found in the Annual List of Australian Standards; these details are supplemented by listings in the SAA monthly journal 'The Australian Standard'. Information on the Annual List and 'The Australian Standard' may be obtained from any sales office of the Association, where details are also available of the current status of individual standards. Suggestions for improvements to published standards, addressed to the head office of the Association, are welcomed.

PREFACE

This standard was prepared by the Association's Committee on Fire Hose Reels.

The standard sets out the requirements for the installation of fire hose reels which were included in previous editions of AS 1851, Part 2. AS 1851, Part 2 now only includes the maintenance requirements for fire hose reels.

This standard requires reference to the following Australian standards:

- AS 1221 Fire Hose Reels
 AS 1851 Maintenance of Fire Protection Equipment
 Part 2—Fire Hose Reels
